Gants Guanti Gloves

Large gamme de gants à usage unique pour s'adapter à tout besoin. Les transparents, très économiques, s'utilisent généralement pour le contact alimentaire et les tâches sans réel risque. Les opaques, de par leur résistance chimique, sont optimaux pour les tâches de nettoyage et pour être utilisés pendant de longues périodes; ils s'adaptent bien à la main et sont élastiques pour plus de confort et d'agilité.

Vasta gamma di guanti monouso per ogni esigenza. Quelli trasparenti, molto economici, si usano di solito a contatto col cibo e per lavori a basso rischio. Quelli opachi, per la loro resistenza chimica, sono ideali per lavori di pulizia e per essere usati più a lungo. Si adattano bene alla mano, sono elastici e comodi.

We supply a wide range of single-use gloves for all purposes. Our transparent, budget-friendly gloves can generally be used for food contact and low-risk tasks. Our opaque gloves are suitable for cleaning and long-term usage due to their chemical resistance. They fit the hand well and are stretchy for greater comfort and dexterity.

Leur grande capacité, comparée aux rouleaux domestiques, permet un réapprovisionnement moins fréquent. Ces rouleaux sont donc particulièrement adaptés aux toilettes publiques, aux environnements commerciaux, aux lieux de travail et aux logements. Ils offrent une grande résistance, ainsi qu'un niveau élevé de douceur et de confort. Ils sont pré-coupés tous les 17,5 cm. Nous les fournissons dans différents formats pour les rendre compatibles avec les distributeurs standard.

La sua maggiore capacità, rispetto ai rotoli domestici, consente una sostituzione meno frequente. Questo fa sì che questi rotoli siano particolarmente adatti per i servizi igienici pubblici, ambienti commerciali, ambienti di lavoro e strutture ricettive. Offrono una elevata resistenza, oltre a un alto livello di morbidezza e comfort. Pretagliato a ogni 17,5 cm. Li forniamo in diversi formati per renderli compatibili con distributori standard.

Their larger volume, compared to household rolls, allows for less frequent replenishment. This makes these rolls particularly suitable for public bathrooms, commercial environments, workplaces and accommodation. They offer high resistance, as well as a high level of softness and comfort. Pre-cut every 17.5 cm. We supply them in different formats to make them compatible with standard dispensers.
